Assignment

QUESTION 1: Create a simple blog webpage on PW SkillsL The webpage must contain at least 1 headings, 1 image, and some information about PW Skills?

ANSWER:

PROGRAM

```
<!DOCTYPE html>
<html >
<head>

</head>
<body>
  <h1>PW SKILLS</h1>
  
  <P>PW Skills is the result of a continual effort to exponentially increase the employability of every Indian, irrespective of their socioeconomic status. With accessibility and affordability being the support structure of high-quality, industry-relevant courses, PW Skills aims to empower professionals and students alike to either jumpstart their careers or leverage existing skills with new, future-driven upgrades that will help them realise their full potential.</P>
  <h2>OUR MISSION</h2>
  <P>PW Skills' mission is to permeate through every student/professional's outlook towards jobs and change their attitude and perspective from “How Can I Do It?” to “Of Course I Can Do It”. We aim to do this by providing exceptional upskilling courses at affordable rates, while being tech-forward so anyone, anywhere can access and improve their ability to be successful in life.</P>
  
</body>
</html>
```

```
<head>
```

```
</head>
```

```
<body>
```

```
<video autoplay muted ><source src="/VIDEO/istockphoto-926930096-640_adpp_is.mp4" type="video/mp4"></video>
```

```
</body>
```

```
</html>
```

QUESTION 6: Create a similar webpage as we built for assignment question 5 Add a poster attribute to the <video> tag that displays an image of the sunrise?

ANSWER:

PROGRAM

```
<!DOCTYPE html>
```

```
<html >
```

```
<head>
```

```
</head>
```

```
<body>
```

```
<video poster="/poster/maxresdefault.jpg" controls><source src="/VIDEO/istockphoto-926930096-640_adpp_is.mp4" type="video/mp4"></video>
```

```
</body>
```

```
</html>
```

QUESTION 7:Create a similar webpage as we Built for assignment question and disable the download option?

ANSWER:
PROGRAM

```
<!DOCTYPE html>
<html >
<head>

</head>
<body>
<video poster="/poster/maxresdefault.jpg" controls controlslist="nodownload"><source
src="/VIDEO/istockphoto-926930096-640_adpp_is.mp4" type="video/mp4"></video>

</body>
</html>
```
